Columbia | luxury vinyl plank

Features

A great new option in resilient!

Columbia makes a fabulous first impression with the desirable look of rustic, reclaimed barnwood. Its styling reflects 6 gorgeous wood species in current colors, creating design choices that range from contemporary to traditional. And the realism is impressive—some of the styles are embossed, and some offer the natural look of “limed” (or white-filled) color.

Adhesive: Shaw 200 TPS Adhesive
(1 gal. — style 052VS & 4 gal. — style 026VS)
